GOD USES BROKEN PEOPLE TO DO BIG THINGS

1. David preached from Mark 8:11-21 about how God reveals our potential, provision, and purpose in pieces. What stood out to you from this week's sermon?
2. Because we're so familiar with our weaknesses that we can't see our potential, it sometimes takes other people to point it out. Name one person in your life who builds you up by pointing out what's possible in your life.
3. God reveals potential and provision in people and places we tend to overlook. What is one surprising way God has revealed potential or provision to you?
4. What is the biggest threat to you seeing your own potential right now? Talk about how you work through that.
5. Potential is about putting together what you have, not getting something you don't. What is God piecing together in your life right now?
